Please enroll my children listed above in the Antiochian Orthodox Church of the Redeemer Church School Program for the coming year. As the parent or guardian of these children, I understand that I have a sacred responsibility to see to the religious education of my children. This responsibility can only be fulfilled if I work in partnership with the clergy and staff of the ChurchSchool. I, therefore, promise to make a conscientious effort to see to it that my children attend the ChurchSchool regularly; to work to reinforce their lessons at home; and to participate as needed in the class work, special projects and field trips of the ChurchSchool. I also understand that respectful classroom behavior is expected and parents will be contacted if their children fail to compile to the code of conduct set forth by the ChurchSchool.
